EDUCATION

University of Wisconsin–Madison 2026–Present
Ph.D. in Computer Science

University of Chicago 2017–2021
B.S. in Mathematics with Honors, B.S. in Computer Science

ACADEMIC EXPERIENCE

Spring/Summer Schools

French Spring School in Theoretical Computer Science	2026
Oregon Programming Languages Summer School	2024, 2025
14th Summer School on Formal Techniques	2025

Stanford University 2022–2024
Non-degree Graduate Student

INDUSTRY EXPERIENCE

Software Engineer, Google 2021–2025
Google Distributed Cloud

- Designed a schema management system to configure customer-requested storage partitions on edge computing machines with security guarantees
- Developed a periodic, asynchronous machine health assessment system

Software Engineer Intern, Google 2020
Cloud Networking Istio

- Built a WebAssembly firewall extension to Envoy proxies on Istio service mesh

Math Developer Intern, Wolfram Alpha 2020
Math Development Team

- Designed an algorithm to synthesize human-readable proofs for Boolean algebra

TEACHING

Teaching Assistant, University of Wisconsin–Madison Fall 2026
COMP SCI 506 Software Engineering

Teaching Assistant, University of Chicago Fall 2019
CMSC 15100 Introduction to Computer Science

Grader, University of Chicago Winter 2019
CMSC 15100 Introduction to Computer Science

Tutor, University of Chicago Fall 2018
Computer Science Core Curriculum

AWARDS & FELLOWSHIPS

Harper Award at University of Chicago	2021
1st Place in PayPal Hack – Chicago	2019
1st Place in Illinois Tech Association Challenge	2019
University of Chicago Grace Hopper Travel Grant	2018

VOLUNTEER

Volunteer, POPL, Rennes, France — Jan 2026
Assisted speakers with audio and video streaming support

Volunteer, ICFP/SPLASH, Singapore — Oct 2025
Assisted speakers with audio and video streaming support

Volunteer, Building Roots, Toronto, Canada — May 2025–Nov 2025
Supported Give-What-You-Can fresh food market

Instructor, Code Next Oakland by Google — Spring 2022
Led 3D modeling workshops for underrepresented students in tech

Interviewer, Generation Google Scholarship — Spring 2022
Reviewed applications for women in computer science

Project Lead, She Votes Illinois — Fall 2019–Winter 2020
Led team of 5 to design and implement a new website

Chair of Outreach, TechTeam at University of Chicago — Fall 2019–Spring 2021
Recruited students to provide tech support for local NGOs
